ROCK VIEW HAS BAD LUCK

BELMONT THREE-YEAR-OLD FAILS TO PLACE IN SARANAC HANDICAP.

Feature Race at Saratoga Is Won by Ten Point, ar Added Starter-Schuyler Parsons Scores His First Success as Racing Owner.

Saratoga, N. Y., August 19.—August Belmont was a disappointed man after the running of the fourth race this afternoon, as he had expected to win the preceding purse with Stromboli and the Saranae Handicap with Rock View. Both met defeat. Stromboli, a prohibitive choice in the third, was not ridden in the best possible manner by Ferguson, who not only got away poorly with his mount, but was no match for McTaggart when it came down to a drive through the stretch and Surprising beat Stromboli a neck. The biggest disappointment came when Rock View failed to take any portion of the money in his race, which, in a way, was due to a mishap at the start. He broke well enough with his company, but whee jockey Glass tried to rush his mount past Flying Fairy. Leochares and Nightstick, they formed a sort of wedge so that Rock View was sharply cut off and had to be taken up sharply to prevent an accident. This of course knocked him out of his stride and, while he went around the others and showed some speed in the racing to the stretch, he finally thred and fell back. The winner was A. L. Aste's Ten Point, an added starter, which led from start to finish and won handily.

Tranid, the filly that Schuyler L. Parsons purchased for \$6,000 during the Belmont Park meeting after she had been bought out of the sale of the Kohler horses, won her first race for her new owner when she was returned an easy whiner of the closing dash. This was the initial success for this owner, who is one of the leading members of the Jockey Club and who recently made his debut as a racing owner. Tranid was ridden by Karrick. It was the latter's first winning mount during the meeting.

Jockey Tommy McTaggart, who has been on the ailing list for several days, was able to gallop some horses this morning, but on the advice of his employer, August Belmont, he did not ride, as Mr. Belmont wishes him to get his strength back. McTaggart was anxious to ride both Rock View and Stromboli, particularly Rock View, as he handles him better than any other boy. Had he ridden both horses it is a certainty that Stromboli would have won and matters might have been different with Rock View.

McTaggart's brother, Johnny, who is in the limelight these days because of his skilful riding, is certainly one of the most promising riders seen in years. He rode Honey Bee and Surprising to victory and was also second with Delft. Hugh Penny, who has the contract on the boy, has his hands full looking after the youngster's mounts, as he is nunch in demand. Penny reports that the boy has been engaged for every race to be run during the remainder of the meeting, with first and second call going to James Fitzsimmons and J. P. Mayberry, and in some races three and four owners are on the waiting list in the hope that the other owners will scratch. The boy has attracted so much attention that Jefferson Livingston, August Belmont and Frederick Johnson have each made an effort to purchase the contract on the lad. R. F. Carman offered Penny a snug sum today to permit him to take the boy to Canada after the Saratoga meeting is over, so t dim to take the boy to Canada after the Saratoga meeting is over, so that he would have first call. Penny will take McTaggart to Havre de Grace, Laurel, Pimlico, Nerfolk and probably Charleston. Penny has a three-year contract on the boy, with an option for two years additional.

Algernon Daingerfield, assistant secretary of the Jockey Club, today announced to the newspaper representatives that in a day or two he would have a cracking good story for them, but just what it was he refused to make public today.

Instead of turning the borse Kormak over to the Canadian Breeding Bureau, as he had intended, W. P. Austin has presented him to L. Blume. Kormak broke down in his work a short time ago.

Not being able to secure jockey J. McTaggart, Fred Johnson today signed the apprentice rider A. Wilson to ride for him.

L. Jackson. a well-known layer, was taken with several fainting spells during the afternoon and ambulance.

The layers complained of the late scratching of Genesta in the opening dash. The layers complained of the late scratching of Genesta in the opening dash. Genesta was sent out as a prospective starter, with E. Martin posted as her rider, and she was held at 4 to 1. As good as 2½ to 1 was laid against Honey Bee before the official board showed that Genesta was an absentee. The layers received such a drubbing yesterday that many of them did not do business this afternoon. The Greater New York Fair and Exposition at Empire City track, Yonkers, N. Y., terminated Saturday for lack of patronage, necessitating the abandonment of three days of racing scheduled as one of the attractions.

Detroit, Mich., August 19.—The first disqualification of the Opening race this afternoon when George M. Hendrie's Great Britain was set back for carrying Pan Zareta wide in entering the homestretch and repeatedly bumping the filly in the stretch racing. The officials were firmly convinced that Deronde could have avoided the jostling and for this reason they suspended the rider for the remainder of the unetling. There is no question but that Great Britain was best, and with a stronger with the saidle he undoubtedly would have won with the saidle he had the saidle he will have been saidle he are a by one of the feature races of the afternoon. IMPROVED PROSPECTS AT MINERAL SPRINGS

Second Meeting of Season to Open at Porter Tomor-

Porter, Ind., August 19.—The second meeting of the Mineral Springs Jockey Club is scheduled to begin on Thursday under conditions that promise better racing than heretofore seen here. Arrivals of horses and jockeys during the past few days have been quite numerous and there will be considerable racing material of good quality available for the racing. Profiting also by experience the management intends to establish a better system in the conduct of the racing.

There will be several changes in the official staff, the principal one being that of starter. Richard Dwyer, who formerly discharged the duties of starter and assistant manager, departed last week for California. The assistant managership will be filled by Hart Dernham, but the question of starter will not be decided until tomorrow. At present James Milton, Arthur McKnight and John Hogan are under consideration. The last named will likely be the choice.

The program book for the first week's racing was distributed by Secretary Wallace to horsemen today. The daily offering for six races is \$1,800, According to the management, there will be at least 200 horses at the track for the opening. Some of the jockeys here include Mondon, J. McIntyre, E. Griffin, Jensen, Gross, Delaby and Wingfield. Ladies will be admitted free during the entire meeting. The same system of betting formerly in vogue will again be used.

Indianapolis, Ind., August 19.—Plans for a second summer race meeting of fifteen days beginning August 21, at the Porter County, Indiana, track under the auspices of the Mineral Springs Jockey Club, will receive no interference from Governor Ralston if the meeting is conducted in conformity with the Indiana statutes, especially those prohibiting gambling, according to a statement by the governor yesterday.

In different places the governor recently has be m different praces the governor recently has been quoted as saying that no further racing would be permitted at the Porter County track, and he denied ever having made such a statement.

"There will be the same steps staken as are taken in any instance to command compliance with the laws of the state," the governor said.

BERT GETTY WINS AT ANACONDA.

Anaconda Mont. August 19.—Bert Getty, at pro-hibitive odds, won today's handicap at one mile and seventy yards in easy fashion after being out-paced in the early stages of the race. Followers of form had an unprofitable day, only two of their choices succeeding in winning. The halter men again were busy, three of the winners being bid up during the afternoon, with the net result that Marta Mac changed owners.

Green Seal, which raced with distinction in this country and was shipped to Australia by I. H. Wheatcroft, is still winning races in the antipodes. The Sydney Referee of July 16 says: "Green Seal finished fourth in the Broken Hill Cup last Thursday and later in the afternoon won the Flying Handicap. Without the least consideration for the feelings of their detractors, each of Mr. I. H. Wheatcroft's American shipment that has raced in Australia has proved equal to winning."

BIG SHIPMENT OF HORSES TO KENTUCKY

Louisville, Ky., August 19.—The second summer meeting now going on at Windsor, Ont., will close the coming Saturday and will be followed by the immediate shipment to the Douglas Park and Churchill Downs tracks of the biggest consignment of horses in one shipment ever sent to Kentucky from a Ganadian track. This special will arrive here next Monday or Tuesday and stall room has already been assigned the many horses in this shipment.

Prominent among the many stables which will then reach the local tracks are those of T. P. Hayes, with the Kentucky Derby winner, Donerail, the Clipsetta Stakes winner, Minda, Holton, Pebeco and a number of others; Gallaher Bros., with Sun Queen, Rags and others; Grefer & Bender with Harry Lunder and Floral Park; W. W. Darden with Little Father and several maiden two-year-olds; T. J. Brown with Coppertown; John Lowe with the horses of J. Schreiber and C. W. Clark, including such noted performers as Jim Basey, Florence Roberts and El Palomar; W. O. Joplin with Moisant, Floral Day and others; J. B. Respess with Jenny Geddes, Miss Declare, Ratina, Patience, Penalty, Scarlet Oaks and others; W. M. Wallace with The Widow Moom and others; James S. Everman's public stable, including Wander, Flora Flna, Milton B, and others; R. J. Mackenzie's Buckhorn, Melton Street, Helen Barbee and others; and William Gerst's big stable in charge of trainer George Ham.

This great number of horses will swell the ranks of borses now in training here to proportions on a par with the anumber of horses will swell the ranks of horses now in training here to proportions on a par with the anumber of horses will swell the ranks of horses now in training here to proportions on a par with the anumber of horses will swell the ranks of horses now in training here to proportions on a par with the anumber frequently on call at some tracks for a regular race meeting. Among the horses coming here from Canada at the close of the Windsor meeting are several candidates for the \$15,000 Kentucky Endurance Stakes, to be run at Churchill Downs on the opening day of the meeting there. Wednesday, October S. and these performers are also engaged in the Louisville Cup, two miles, at Douglas Park, and the Latonia Cup, two miles and a quarter, at the Latonia course. They are Milton B., Flora Fina, Moisant and Donerail, and apon their arrival here they will begin to get their preparation for these long distance races, which will be the leading features of the autumn sport at these three courses this fail.

H. K. Knapp will ship all of his best two-year-olds with his older horses, Yankee Notions and Sprite, to Douglas Park from Saratoga early next month, to race there and at Churchill Downs and Latonia this fall. In the number are Runaway, Notoriety, Francis, Recession and Sir Caledore, a gelding by the noted race horse, Sir Wilfred, out of the dam of Sprite and Yankee Notions. Notoriety, in the Knapp stable, is a remarkably bred filly, she being out of the mare Renown, a daughter of the unbeaten St, Simon and out of Hamburg's dam. Renown sold at auction when a yearling for \$13,000.

One of the most improved horses in training at the tracks so far as appearance goes is Weyanoke, in the stable of T. Carroll at Churchill Downs. He has spread out and grown amazingly since he raced in good winning form at the Juarez track in Mexicolast winter and in fact he has improved as much in a short time in looks as Rudolfo did here last winter.

in a short time in looks as Rudolfo did here last winter.

A turfman here from California says it is possible that in another season or two Kit Chinn, once famous as a racing starter and turfman, may have a string of horses carrying his colors on the turf. Chinn, it seems, has never lost is love for racing and now that he has made a big success in operating a ranch in California he has an abundance efcapital with which to maintain a racing stable of large proportions. Chinn is a son of the famous Kentucky turfman, J. P. Chinn, and a brother of Phil T. Chinn, who has quite a stable of horses in training. A decade or more back Kit Chinn was one of the most prominent figures on western race tracks. He served as starter for a number of seasons at the Hawthorne track in Chicago and at the St. Louis Fair Grounds track. For a long time he was interested with Fred A. Forsythe in racing and breeding. He has not been about the race tracks now for a number of years.

AUSTRALIAN RACE TRACK FINANCES.

Notwithstanding the Victoria Racing Club's added money totaled \$2:8,750 and \$156,430 was spent in improvements alone, the excess of expenditure over receipts for the past year was only \$20,345. The profits on the various meetings held were as follows: Grand National meeting, 1912, \$22,325; August meeting, 1912, \$1,165; October meeting, 1912, \$180; Melbourne Cup meeting (November), \$102,015; New Year's Day meeting, 1913, \$10,630; Autumn meeting, \$5,985; June meeting, \$10,690. The amount received from all sources at the various meetings held throughout the year totaled the large stm of \$521,965. The receipts at the Melbourne Cup meeting reached \$254,963, and the expenditure \$132,925

(stakes absorbed \$135,\$40), leaving a profit on the spring fixture of \$102,015. The contingency fund shows a balance of \$100,445, and the Distressed or Disabled Jockeys' Fund account has a bank balance of \$16,510. The club's credit balance at the Bank of New South Wales is \$208,835. It is bleasant to read that the club is in such a satisfactory position, and as there will not be such a heavy item in the way of improvements, and extra revenue will result from a charge for admission to the flat, matters promise to be even better at the close of the current year.—Sydney Referee,
